☎ +37128115853 ✉ dostonnabotov@gmail.com 📍 Riga, Latvia

As a frontend developer, I have a passion for building intuitive and user-friendly experiences. When I'm not coding, you can find me curled up with a good book or scouring GitHub for "help wanted" issues to contribute to. I am also an avid tech blogger, sharing my thoughts and experiences with the community.

🎓 Education

Computer Science , <i>Riga Technical University</i>	10/2021 – present
• Relevant coursework: Data Structures and Algorithms, Database Management, Operating Systems, Discrete Mathematics	Riga, Latvia
